Honorary Doctor of Military Science Degree

General Gam Shawng Gunhtang

To- General Gam Shawng Gunhtang

Chief of Staff of Kachin Independence Army (KIA)

KIA Head Quarter

Lai Zar

Kachin State

MYANMAR

General Gam Shawng Gunhtang,

The Doctor of the University is one of only a few honorary doctorate degrees St Clements University issues and a maximum of three can be issued per calendar year.

Doctor of the University in Military Science based on the career experience as a military leadership in which the candidate has developed the military knowledge and proved high level administrative, leadership, management skills and leading the military training institutions.

We are impressed on the record of your fighting for freedom of both Kachin and all people of Myanmar especially in

- Your leadership in expanding three brigades number 6, 7, 8 and many battalions as well as leadership in self sufficient in arms and training People Defence Forces for both Kachin and Myanmar who come to KIA controlled areas.
- you have resisted the pressure by military junta forces to handover the PDF Members to avoid the offensive by military junta forces by showing your responsibility as a military leader.

St Clements University and People Defence Force Academy (PDFA) of The Institution of Professional Engineers Myanmar, Military Engineering Branch jointly nominate General Gam Shawng Gunhtang for Honorary Doctor of University in Military Science.

We understand that you have done your enthusiastic freedom and humanitarian works for the people of both Kachin and Myanmar without expecting any award for yourself. But our St Clements Education Group, St Clements University & St Clements University Myanmar College would like to offer to award our **Doctor of the University in Military Science** on you to show our solidarity with the people of Kachin and Myanmar.

We understand that at the moment, the revolution tasks and security is more important than attending the physical graduation ceremony by you but we expect that in the near future, we will also get the chance to confer your award personally at the physical graduation ceremony of St Clements University and St Clements University Myanmar College.

We will be happy to know about your acceptance of our **Doctor of the University in Military Science** degree.

Yours sincerely,

Dr David Le Cornu

A Professional Engineer needs wide knowledge of theory and practical applications of engineering. The knowledge is not limited to a particular course.

This Professional Engineer Support Website includes Engineering Job Competencies, Technician+ Technologist Level, Theoretical Knowledge requirement for Professional Engineer, Undergraduate Level Theoretical Knowledge requirement for Professional Engineer, Post graduate Level Theoretical Knowledge requirement for Professional Engineer, Practical Knowledge requirement for Professional Engineer, Professional Engineer Postgraduate Competency Development (Electrical & Civil), Knowledge refreshing by watching lesson videos, Youtube Engineering Lessons, MP4 Engineering Lessons, Engineering Rules/Regulation/Safety Knowledge (Electrical Safety, Construction site safety & OHS, Explosion Protection & safety etc are included & the reference materials are referred from relevant Australian Industrial Safety Authorities), Engineering Competency Demonstration Report and Information on Professional Engineer Registration around the world.

The purpose is to provide the one stop shop for the engineers who seek PE/RSE registration in Myanmar as well as ASEAN, UK, USA, Australia etc to get the information as well as refreshing the theoretical studies and practical knowledge.
