**This is not the cost of an owner-builder undertaking the work.**

Please note that Council will check the estimated cost provided on your development application when lodged. Incorrectly paid fees will result in delays to your application. Do not under-estimate the cost if you think you will pay a lesser fee.

### Do you need a Construction Certificate?

- ⇒ Once your Development Application has been approved by Council, your next step may be to apply for a Construction Certificate and nominate a Principal Certifying Authority (PCA) to carry out inspections.
- ⇒ Did you know that legislation requires **you**, as the owner, **to appoint the PCA** and not your builder/architect?
- ⇒ City of Parramatta Council boasts a Certification Team with many years of combined experience in the industry. We take building regulation and customer service seriously and we are working hard to ensure that our residents and local businesses can have a real alternative to private certifiers.
- ⇒ We can offer you a complete package, from pre-Construction Certificate advice to the issuing of your Final Occupation Certificate, and everything in between.
- ⇒ Our strategic and practical experience will be used to ensure your project runs smoothly. We measure our successes on the success of your development.
