# Hard Floor Cleaning Course

## Online Training Course: HARD FLOOR CLEANING

ONLY  
\$29.90

Hard Floor Cleaning Course along with carpet cleaning are the most diverse and technically challenging aspects of cleaning. We can all pick up and mop and bucket and learn to clean a floor within 30 minutes, there is a lot more to know about hard floors and a lot more to learn than just mopping a dirty floor.

This introductory course for hard floors covers all the basic processes and machinery involved in cleaning hard floors. Stripping and refinishing of hard floor finishes and re-coating hard floor finishes is covered in the course "Replace a hard floor finish".

### This course includes seven (7) sections:

- Section 1 – Understanding hard floors
- Section 2 – Preparing for Cleaning
- Section 3 – Cleaning Loose Soils
- Section 4 – Cleaning Oily Soils
- Section 5 – Buffing, Burnishing and Deep Scrubbing
- Section 6 – Floor Cleaning Pads and Brushes
- Section 7 – Restore work area, clean and store equipment

### This course covers knowledge content for the following competency unit(s):

CPPCLO3001 Maintain hard floor surfaces

\*Completing this non-accredited course can be used to support Recognition of Prior Learning in the listed competency unit(s).
