Dear Colleague,

I am happy to welcome you again as you have renewed your membership!

We very much value your interest in our association resulting in an institutional membership renewal. Please find attached your membership certificate.

You can benefit again from our membership services, such as the yearly International Conference, access to our top Journal IJEVG and regular Newsletter issues with interesting articles. You are also connected to our global network of career professionals and organisations.

If you have ideas or suggestions for the further development of our Association or if you want to engage yourself as an active member in Board task groups please contact me.

Work with pleasure and have a nice day.
