IQY University and IPEM Technological University are the academic institutions administered by IPEM IQY Education Group which is Supported by The Institution of Professional Engineers Myanmar, Singapore Institute of Engineering Technologists, and The Society of Professional Engineers and Executives International.

IQY Technical College and IQY Degree Colleges which have the business names registration with Australian Securities and Investment Commission are the branches of IQY University . IPEMTU Degree College which has the business names registration with Australian Securities and Investment Commission is the operation arm of IPEM Technological University. IQY University and IPEM Technological University are registered with Education Committee of the Revolutionary Government of Federal Union of Burma. The Institution of Professional Engineers Myanmar which is registered in NSW Australia and member of International Federation of Engineering Education Societies (IFEES-USA) provides academic and educational quality control guidance for IQY University and IPEM Technological University.

The information of International Professional Associations and Organizations that support IQY University and IPEM Technological University.

The Society of Professional Engineers International combining with The Society of Professional Executive Internationals

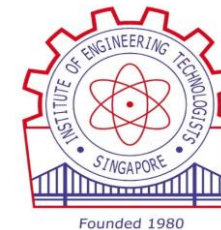

Website: www.thespeukinternational.org

The **Society of Engineers** was a British learned society established in 1854. Society of Professional Engineers UK (SPE-UK)and PEng(UK) was established in 1969. The **Society of Engineers** merged with the Institution of Incorporated Engineers (IIE) in 2005, and in 2006 the merged body joined with the Institution of Electrical Engineers to become the Institution of Engineering and Technology. In 2018 April, when UK members of SPE-UK decided to dissolve & merge Institution of Engineering and Technology whilst its international members decided to form a new body SPE International in 2018, the international members of SPE-UK establish the Society of Professional Engineers UK & International and to keep the register of International Professional Engineers and their designations PEng,MSPE(UK &International) and PEng,MSPE(International)

Facebook: facebook.com/sietorgsg

Emails: sammk1951@gmail.com ; Info.sietorgsg@gmail.com

Officially registered as ‘Singapore Institute of Engineering Technicians (**SIET**) to cater for the needs of Polytechnic and Vocational Institutes in Singapore.in 1980.

Affiliated with Institute of Engineers & Technicians (IET), Technological Association of Malaysia (TAM, The Society of Engineers (SOE), UK. Institute of Professional Engineering Technologists (IPET), South Africa, Institution of Engineering Designers (IED, Association of British Engineers in Italy (ABEI).

Engineering Courses

Singapore Institute of Engineering Technologists, The Institution of Professional Engineers Myanmar and The Society of Professional Engineers International Accredited Courses.

- Diploma, Advanced Diploma, Bachelor degree, Higher Degrees in engineering
- Civil, Electrical, Mechanical, Architecture, Chemical, Metallurgy, Agriculture, Electronics, Information Technology, Marine, Naval Architecture, Aeronautical, Hotel, Automotive, Airconditioning & Refrigeration, Renewable Energy, Textile, Computer Control
- Diploma, Advanced Diploma and Bachelor degree in Trades Practice and Engineering Practice courses to convert the experience to academic qualifications.
- Diploma, Advanced Diploma and Bachelor degree in engineering work practice courses.
- Study support courses for Australian Training Package Certificate III and Advanced Diploma in Electrical, Electronics and Communication, Airconditioning and Refrigeration, Fabrication. Metal Trade-(Forging AutoBody Spray Paininting,Black Smithing), Fabrication Welding

Management and Information Technology Courses

The Institution of Professional Engineers Myanmar and The Society of Professional Executive International Accredited Courses.

- Diploma, Advanced Diploma and Bachelor degree and Higher Degrees in management and business administrations
- Management, Business Management , Business Administration, Accounting, Financial Management, Business Administration -Legal System, Economics, Project Management, Program Management, Leadership and Management, Strategic Management, Marketing Communication, Portfolio Management, Strategic Leadership, Hospitality Management, Digital Marketing ,Social Media Marketing Insurance
- Diploma, Advanced Diploma and Bachelor degree in Information Technology
- Computer Software, Hardware, Programming, Networking, Telecommunication, GIS, Computer Aided Engineering , Computer Control, REVIT, CAM/CAD/CAE, Master CAM

Vocational Education+Teacher Education+Arts+ Science+Law +Humanities+Political Science +Multiculturalism Courses

The Institution of Professional Engineers Myanmar and The Society of Professional Executive International Accredited Courses.

- Diploma, Advanced Diploma and Bachelor degree and Higher Degrees in teacher education, law, arts, science, humanities, vocational studies
- **Teacher Education**-School education, vocational education, engineering education,
- **Science**- Bioinformatics,Genetics,Molecular and Cell Biology, Biology, Biotechnology ,Food Science,Geographical Studies,Earth Science, Immunology, Materials Science,Microbiology,Marine and Coastal Science, Forensic Science, Environmental, Genetic Engineering, Nautical Science, Forestry, Photonics, Engineering Science,Mathematics,Physics,Chemistry ,Geology,
- **Arts and Law**- Antropology,Geography, History,Psychology,Sociology, Philosophy, Myanmar , English, Political Science, Buddhist Studies, Christian Studies, Islamic Studies, Hindu Studies, Jewish Studies, International Trade Law, International Commercial Law,nternational Business Law,Real Estate Law and Human Rights Legal Practice,Strategic litigation Management and Court Practice.Medicolegal Practice,
- **Vocational** -Chemical Laboratory & water Operations, Performance, Construction,Properties Services,Public Safety ,Personal Services, Hospatality, Screen Media,Security Service,Transport,Agriculture, AgriFood Resources,Animal Studies,Business,Community Services,Transport,Food Service,Health Service,Library Service,Manufacturing,Marine Studies,Marketing.Environmental, Agricultural Engineering, Agri Business,Career Development, Creative Design, Health Wellbeing Community ,Infrastructure Energy Construction,Innovative Manufacturing Science ,Supply Chain Studies,Technology Business,Hospitality and Tourism, Medicine,Nursing,Pharmacy,Radiolog,Sexology, Veterinary Science, Optometry, Dental Surgery, Agriculture,Sign writing Screen Printing Book Binding,Avonics , Aviation ,Shipping,Basic Construction-Mason Roof Plastering,Carpentry,Elevator, Engraving Shoe Making ,Tayloring ,Real Estate, Library Operation ,Postal Operation,Mobile Plant Operation.
- **School Education** - Languages ,Year 1 to 12, Diploma in Intermediate Science Diploma in Intermediate Arts, Diploma in General Engineering
