Dear U

## Updated version of Teacher-Student Professional Boundaries – A Resource for WA Teachers

One of the strategies that the Teacher Registration Board of Western Australia (TRBWA) has in place to assist teachers to understand their professional responsibilities is the publication of the *Teacher-Student Professional Boundaries – A Resource for WA Teachers*.

Since it was first produced, this resource has proved to be a valuable touchstone for the WA education sector, including teachers and school leaders, in terms of managing the relationship between teachers and students.

The resource has recently been the subject of review and we are pleased to advise that [an updated version](#) is now available.

The resource continues to use Plain English and is designed to provide clear, authoritative advice to stakeholders.

If you have any questions regarding the resource, please contact us on (08) 9223 9100 or by email on [info@trb.education.wa.edu.au](mailto:info@trb.education.wa.edu.au).

Regards
