Facilities and equipments are set up, checked, and maintained regularly to ensure effective and efficient operation

## Student support services

IQY Technical College is always ready to support its students and it has dedicated person to listen students. Student also can contact IQY [iqytechnicalcollege@gmail.com](mailto:iqytechnicalcollege@gmail.com) for their need.

# Welfare management

IQY Technical College offers you a range of welfare services to help with the mental, physical, social and spiritual well-being of students. These services may include, through direct provision or referral, information/advice about: accommodation, counselling, crisis services, disabilities and equity issues, financial matters, legal issues, medical issues, mental health, peer mentoring, programs promoting social interaction, religious and spiritual matters, and stress-management. It may also include advice on academic and study issues.

Internal welfare services will be provided at no additional cost to the student. However, where a student is referred to an external provider, the student will be responsible for meeting the costs of the provider. The Institute does not charge for such referrals to the provider.

You can telephone the Office to make an appointment and ask to speak with the Student Support Officer @ 0404289750 OR email to [iqytechnicalcollege@gmail.com](mailto:iqytechnicalcollege@gmail.com)
