Our Objectives

- **Industry Engagement:** We recognise the value of industry engagement as the driving force in shaping our training and assessment strategies. We deliver training and assessment services which are founded on industry needs and expectations.
- **People:** We strive to attract, recruit and retain talented, competent and committed trainers and assessors. We promote excellent performance through leadership and ongoing targeted professional development.
- **Safety and Equality:** We are committed to providing an environment which is safe, equitable, and promotes a confident and productive training and assessment environment.
- **Integrity and Ethics:** We conduct ourselves in accordance with shared and agreed standards of behavior, and hold ethical conduct and integrity as our highest priorities.
- **Quality Committed:** We aspire to deliver consistent, high quality services, and apply quality systems that support training and assessment superiority.
- **Student Focused:** We thrive on providing training and assessment that is student focused and which supports lifelong learning. We respect our students and strive to attract them time after time through high quality training and assessment experiences.
