

Ref: U/MAUNG KYAW NAING

On the basis of original documentation provided by the abovenamed, the following overseas qualification was obtained:

NAME OF QUALIFICATION: Degree in Engineering

YEAR AWARDED: 1987

NORMAL LENGTH OF COURSE: Six Years

AWARDING INSTITUTION: Yangon Institute of Technology

COUNTRY: Myanmar

The AUSTRALIAN COMPARISON of this qualification is as follows:

Australian Bachelor Degree

This comparison indicates the *general level* of education reached by the above-mentioned based on the "Country Education Profiles", a publication of the National Office of Overseas Skill Recognition (NOOSR).

This document is issued for employment purposes only and is *not intended* to be used for purposes of immigration or determination of professional competence. Professional competence is a matter for employers to determine by reviewing the content of the applicant's qualifications, skills and work experience or, where appropriate for the relevant professional association or registering authority to assess.

The Department provides information, advice and referral services to those with qualifications obtained overseas.

For enquiries regarding this letter, please contact this office at ph (02) 9269 3500.
