Dear Dr Naing

## Welcome to the IET and your Professional Advantage membership

I am delighted to welcome you to the IET and your Professional Advantage membership and am pleased to enclose your welcome pack, which includes useful introductory materials to help you start moving your career to the next level.

You have joined as a Member and you are now entitled to use the letters MIET after your name. Your membership card is enclosed, together with a certificate to certify your membership status. Please note that membership cards are *not* issued annually, so please keep your new card somewhere safe.

We recognise the important role a membership organisation has in supporting you with your competence development and career growth, so please take the time to read your Professional Advantage brochure which includes a progressive, goal-driven framework to help you move forward with your career over the next two years. Professional Advantage is optimised to help you get the most value out of your membership in pursuit of professional registration as a Chartered or Incorporated Engineer, but equally if this is not your immediate goal, it will help you to build the competence, knowledge and experience you need to take on your next career challenge.

The brochure and key resources are available to download at: [www.theiet.org/professionaladvantage](http://www.theiet.org/professionaladvantage). To access these 'member only' resources and get the best from your membership, you need to register on our website at: [www.theiet.org](http://www.theiet.org) - use the Register facility on the homepage and follow the instructions on screen. You can then log into your individual IET account at [www.theiet.org/my](http://www.theiet.org/my) to manage your membership online and tell us your communication preferences and interests so we can provide you with a more personalised service.

Thank you for choosing the IET as your professional organisation. If you have any questions, please get in touch with the Member and Customer Service Team on **+44 (0)1438 765678** or via: [www.theiet.org/contactmembership](http://www.theiet.org/contactmembership) and we will be happy to help.

Yours sincerely

Nigel Fine BSc MBA CEng FICE FIET  
Chief Executive and Secretary

# Summary of assessment results

These results of the candidate **U KYAW NAING** are current as at **11 October 2006**.

Key:

- C = Competent** in this unit – statement of attainment to be issued upon completion of the assessment.
- R = Resubmit** – evidence submitted so far looks good, however additional evidence is needed before a 'competent' result may be awarded
- NYC = Not Yet Competent** – evidence submitted so far of not of an acceptable quality to demonstrate competence. Higher quality evidence required to demonstrate competence.

Core units		Result		
		C	R	NYC

## EUROPEAN ENGINEERS

Both your own engineering institution and The Engineering Council are represented in the European Federation of National Engineering Institutions (FEANI). If you have registered as a Chartered Engineer, you will be eligible for nomination for the FEANI title "European Engineer" (Eur Ing), which is a single, international professional engineering title aimed at simplifying the international recognition of national engineering qualifications.

If you wish to know more about this, please contact the membership department of your own institution for details.
