Singapore Institute of Engineering Technologists is registered with Singapore Government

The Singapore Institute of Engineering Technologists (SIET) being the Professional Body for Engineering Technologists is a multi-disciplined learned establishment registered in Singapore since 1980 under the Societies Act [Singapore Government Gazette Notification No: 3310].

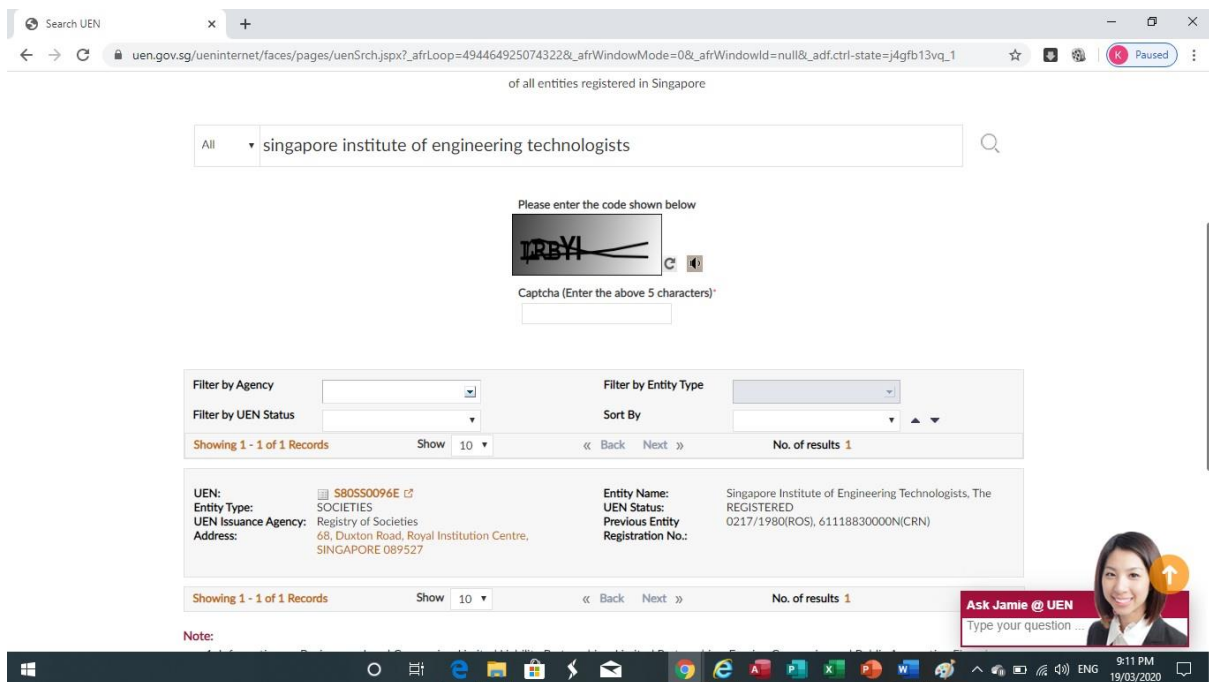

Background

SIETI was initiated in 2009 as a 'business arm' of the Singapore Institute of Engineering Technologists (SIET), a professional body which was established in 1980 to cater for the needs and interests of Engineering graduates from Polytechnic and ITEs. [website : www.siet.org.sg]

SIET International Pte Ltd (200921635D) (SIETI) was incorporated in 2009. It was registered with the Accounting and Corporate Regulatory Authority of Singapore (ACRA) - formerly known as the Registry of Companies and

Businesses of Singapore (RCB). SIETI currently has regional office in Singapore and liaison officers in Malaysia, Papua New Guinea, Australia, and the People's Republic of China.

On ASEAN Engineering Technologist Application Form, SIET is one of two Singapore Professional Associations that can recommend ASEAN Engineering Register

<https://www.highlightcomputer.com/AER.pdf>

Please see Page 3 , IES and SIET

That means that all our graduates of IQY Technical College, IPEM Technological University and St Clements Technological Universities are recognized by Singapore Institute of Engineering Technologists to register with ASEAN Engineering Technologists and ASEAN Engineering Technician Register which is recognized by all ten ASEAN Governments through ASEAN Federation of Engineering Organizations.
