IQY Qualification Framework

www.highlightcomputer.com/iqyqualificationsframework.pdf

IQY Qualification Framework (IQYQF) is largely based on Australian Qualifications Framework (AQF) but modified it to meet the customised needs of our teaching and training system.

AQF Level	IQY Level	Australian Qualifications Framework (AQF)	IQY Qualifications Framework (IQYQF)
School	1	Secondary School Certificate	Year 9 to 12 Bridging Education Certificate
1		Certificate I	Myanmar Vocational Training Certificate Level 1 (MVTC 1)
2		Certificate II	Myanmar Vocational Training Certificate Level 2 (MVTC 2)
3		Certificate III	Myanmar Vocational Training Certificate Level 3 (MVTC 3)
4		Certificate IV	Diploma Part 1 (Advanced Certificate)
5	2	Diploma	Diploma Part 2
6		Advanced Diploma	Advanced Diploma (Diploma in Engineering Education Level 1-Diploma in Vocational Education and Training)
6	3	Associate Degree	Professional Diploma Part 1 (Year 3) (Diploma in Engineering Education Level 2-Diploma in Technical Teaching)
7		Bachelors Degree	Professional Diploma Part 2 (Year 4) (Diploma in Engineering Education Level 3-Diploma in Engineering Education)
8	4	Graduate Certificate/ Graduate Diploma	Master Diploma Part A (Diploma in Engineering Education Level 4-Diploma in Engineering Education-Specialist Studies)
9		Masters Degree	Master Diploma Part B/ Master Diploma in Research Studies
10	5	Doctoral Degree	Diploma in Doctoral Studies

AQF						
	Level	**Level 1**	**Level 2**	**Level 3**	**Level 4**	**Level 5**
	Summary	Graduates at this level will have knowledge and skills for initial work, community involvement and/or further learning	Graduates at this level will have knowledge and skills for work in a defined context and/or further learning	Graduates at this level will have theoretical and practical knowledge and skills for work and/or further learning	Graduates at this level will have theoretical and practical knowledge and skills for specialised and/or skilled work and/or further learning	Graduates at this level will have specialised knowledge and skills for skilled/paraprofessional work and/or further learning
	Knowledge	Graduates at this level will have foundational knowledge for everyday life, further learning and preparation for initial work	Graduates at this level will have basic factual, technical and procedural knowledge of a defined area of work and learning	Graduates at this level will have factual, technical, procedural and some theoretical knowledge of a specific area of work and learning	Graduates at this level will have broad factual, technical and some theoretical knowledge of a specific area or a broad field of work and learning	Graduates at this level will have technical and theoretical knowledge in a specific area or a broad field of work and learning
	Skills	Graduates at this level will have foundational cognitive, technical and communication skills to: • undertake defined routine activities • identify and report simple issues and problems	Graduates at this level will have basic cognitive, technical and communication skills to apply appropriate methods, tools, materials and readily available information to: • undertake defined activities • provide solutions to a limited range of predictable problems	Graduates at this level will have a range of cognitive, technical and communication skills to select and apply a specialised range of methods, tools, materials and information to: • complete routine activities • provide and transmit solutions to predictable and sometimes unpredictable problems	Graduates at this level will have a broad range of cognitive, technical and communication skills to select and apply a range of methods, tools, materials and information to: • complete routine and non-routine activities • provide and transmit solutions to a variety of predictable and sometimes unpredictable problems	Graduates at this level will have a broad range of cognitive, technical and communication skills to select and apply methods and technologies to: • analyse information to complete a range of activities • provide and transmit solutions to sometimes complex problems • transmit information and skills to others
	Application of knowledge and skills	Graduates at this level will apply knowledge and skills to demonstrate autonomy in highly structured and stable contexts and within narrow parameters	Graduates at this level will apply knowledge and skills to demonstrate autonomy and limited judgement in structured and stable contexts and within narrow parameters	Graduates at this level will apply knowledge and skills to demonstrate autonomy and judgement and to take limited responsibility in known and stable contexts within established parameters	Graduates at this level will apply knowledge and skills to demonstrate autonomy, judgement and limited responsibility in known or changing contexts and within established parameters	Graduates at this level will apply knowledge and skills to demonstrate autonomy, judgement and defined responsibility in known or changing contexts and within broad but established parameters
IQYQF		MVTC Level 1 Certificate	MVTC Level 2	MVTC Level 3	Diploma Part 1	Diploma Part 2/

MYANMAR BUDDHIST SCHOOLS & VOLUNTARY SCHOOLS STUDY SUPPORT WEBSITE

http://www.nldschool.com

This website contains English+ Myanmar Explanations of the tutoring lessons based on New South Wales & Western Australian school curriculum subjects.

The aim to develop this site is to provide the tutoring support for the students in Myanmar Buddhist Schools and Voluntary Schools including NLD Education Network Schools to acquire the international standard school education.

Tutoring Lessons in Myanmar & English	Reference Text Books

By studying the contents of this site, the students will acquire the following benefits

- Reading+ Listening skills in English Language
- Acquire Australian School Education
- Use of IT Skills in E- Learning
- Self learning practice

The lessons can be learnt by two ways

- Viewing the power-point lessons by using computer
- Viewing the JPEG image files and listening MP3 Audio files by using Portable DVD Players which are donated to Myanmar Buddhist Schools & Voluntary Schools

The students need to

- View the Lessons
- Copy the lessons
- Listen to both Myanmar & English Explanations of the lessons

PROFESSIONAL DIPLOMA IN SCHOOL & VOCATIONAL EDUCATION)

(BACHELOR OF EDUCATION (SCHOOL & VOCATIONAL EDUCATION)

www.highlightcomputer.com/bedschoolvet.htm

This course aims to provide the teacher education theories and practical applications in school and vocational education classes.

Principles of teaching , learning , training and assessment are combined with instruction design methodologies and knowledge related to learning environment.

Modern learning technologies and technology in classroom contexts are added..

Teachers who are working in voluntary schools can be provided with necessary teaching and training knowledge to work as qualified teachers by attending this course.

Pre-requisite

Degree Holders	Non Degree Holders
• Bachelor Degree & Teaching Experiences	• Completion of Year 11+12 (Certificate in General & Vocational Education Level 4) PLUS • Completion of Diploma level qualification in Engineering, IT & Management courses of IQY Technical College & other vocational colleges/schools

Course structure

This course integrates Diploma in Teaching Practice , Teaching Practicum and Advanced study in Education to achieve 120 credit points required to get Professional Diploma in School & Vocational Education .awarded by IQY Technical College (Authorized Training Centre of Singapore Institute of Engineering Technologists, Member of ASEAN Federation of Engineering Organizations)

IQY Technical College

of Highlight Computer Group

www.highlightcomputer.com

Affiliated to Singapore Institute of Engineering Technologists & St Clements Technological University of British West Indies

IQY Technical College provides the learning support to the teachers and students of various Technological Universities and Government Technical Colleges of Myanmar.

The followings are online teacher education programs for the teachers of Myanmar Technological Universities & Government Technical Colleges.

The students can access the resources by clicking the link TU ONLINE www.highlightcomputer.com/tuonline.htm

ISO 9000 Audit Documents Preparation for Technological Universities & Government Technical Colleges

By Dr Kyaw Naing MIEAust, RPEQ, FSIET

www.highlightcomputer.com/iso9000evidenceguide.htm

(1) ISO Audit

(2) Curriculum Review for accreditation

ISO 9000 Audit Manual

www.mongroupsydney1.com/22 Aug 2016-ISO_Audit_Kit_Preparation_Kit_2016_V4Mod.pdf

ISO 9000 Audit Documents for Technological Universities & Government Technical Colleges are presented in this webpage. The teachers and head of departments can refer the example documents which are presented in the online links.

2 weeks accreditation training records and lessons/ audio/ video/ reference resources can also be obtained from the following link
www.highlightcomputer.com/gtc.htm

Most of the requirements are to be met by filling the relevant forms in the links. But for some requirements need to be fulfilled by doing the tasks outlined in the notes.

IS0-9000 Audit Criteria	Required Documents	Example
4 Quality	Intranet PaCK	Write the overview information of your TU

Diploma in Higher Education Teaching

Study Instruction

Overview

The course helps students to reflect critically on their teaching in ways which are underpinned by their own experiences and those of their students and colleagues, and by the research on learning and teaching in higher education.

Course aims

The course aims to encourage students to develop:

- an understanding of different ways of thinking about university teaching, and the consequences for student learning, to enable them to make informed decisions about their approaches to teaching, subject design and assessment in a variety of contexts and with a diversity of students (relates to professional and intellectual attributes)
- an ability to reflect critically on and evaluate their own teaching and subjects and make changes aimed at improving their students' learning (relates to professional and intellectual attributes)
- a commitment to scholarship in teaching and to self-directed continuing teaching development (relates to professional and personal attributes), and
- a broader awareness of the higher education, university and academic career contexts in which they work, to assist them to develop their academic potential more effectively (relates to professional and personal attributes).

Course duration and attendance

2 weeks Intensive Course OR Online Plus Self study & assignments.

Course structure

The course consists of 60 credit points of study, comprising four subjects which must be completed to be eligible for the award.

Inclusive Education for all citizens/ Myanmar Vocational Training Certificate (MVTC)
Traditional Schooling Pathway
11 Years schooling (KG to Standards 10)
Complete
Yes
No/ can not continue schooling
University Entrance Examination
Complete
Pass
Fail
We must remove the situation that Standard 10 determines everything for future career for the whole life of our kids. The whole Career prospects of the kid must not be narrowly decided by one examination which has caused unreasonable financial burden on working parents /waste a lot of our labours causing social inequalities.
The minimum wages must be determined relevant to competency level
Determination of skills level is referenced from ANZCO Dictionary
Work entry pathway
Youth and adult employees in several businesses such as café/restaurant/construction sites/sewing etc
Minimum 4 years experience at employment & relevant onsite assessment/additional training/ application process
MVTC Level 1 Certificate which is equivalent to Skills Level 5-Experienced Elementary Workers
Theory & practical training related to their jobs.
For example, cooking skills for restaurant workers/ trade skills for construction site labourers etc + Formal recognition
MVTC Level 2 Certificate which is equivalent to Skills Level 4 –Trained Assistant Tradespersons
Adult Education composing some academic study at university entrance level with the choice of subjects relevant to vocational field PLUS advanced trades skills level course/ training at Government/ Private/ Community/ Non Government Organizations
MVTC Level 3 Certificate which is equivalent to Skills Level 3- Fully Qualified Tradespersons (Equivalent Year 11 Standard)
Tertiary Preparation Course for adult learners (Equivalent Year 12 Standard)
Entry to relevant Government & Non Government Tertiary/ Technical/Business/ Vocational Colleges to pursue Diploma
Skills- Para professional Level 3- Para-professional/ Technician
Entry to various degree programs at Government/ Private Universities and colleges

www.highlightcomputer.com/HumanitiesCoursesOutline.pdf

The objective of Humanities Studies program is to provide formal academic study and recognition for community workers, social service workers and volunteers who are performing the humanitarian works.

Entry Requirement

No formal requirement but working in humanitarian service is needed. But those without university entrance qualifications may need to attend our basic education studies.

Course Structure

- Diploma in Humanities Studies (Dip HS) (30 Credit Points) (IQY Course 37001)
- Advanced Diploma in Humanities Studies (Adv Dip HS) (60 Credit Points) (IQY Course47001)

Entry Requirement

No formal requirement but working in humanitarian service is needed. But those without university entrance qualifications may need to attend our basic education studies.

Course Structure

- Diploma in Humanities Studies (Dip HS) (30 Credit Points) (IQY Course 37001)
- Advanced Diploma in Humanities Studies (Adv Dip HS) (60 Credit Points) (IQY Course47001)
- Professional Diploma in Humanities Studies (Prof Dip HS) (120 Credit Points) (IQY Course 67001) which can be convertible to St Clements University/s Bachelor of Humanities Studies (BHS)
- Master of Humanities Studies (MHS) (St Clements University) (240 Credits)
- Professional Doctorate of Humanities Studies (DHS) (St Clements University) (360 Credits)

Diploma in Humanities Studies (Dip HS) (30 Credit Points)

Outcome-

1 / 7

On completion of this course, the candidates will be able to effectively provide humanities

7/12/2018

Diploma in Humanities Studies (Dip HS) (30 Credit Points)

Outcome-

On completion of this course, the candidates will be able to effectively provide humanities services needed by the community.

Course Structure

It consists of compulsory work-based unit and elective units

Compulsory

HS101- Humanitarian Work Record (15Points)

Presenting own diary of humanities work for minimum of three months or work reference

ELECTIVES

The following streams can be selected to complete Diploma in Humanities Studies

STREAM (1) -PEOPLE SERVICE STREAM (Select any one)

CERTIFICTE IN COMMUNITY SERVICE (MVTC205)

(FOODS SERVICE/HEALTH SERVICES/LIBRARY SERVICES/AGE CARE/CHILD CARE) (15 points)

CERTIFICATE IN PUBLIC SAFETY (MVTC208) (15 points)

CERTIFICATE IN AGRICULTURE FOOD PRODUCTION (MVTC201) (15 points)

STREAM (2)-COMMUNITY CONSTRUCTION STREAM

Select any one (15 points)

PC 1-Certificate in Bricklaying & Masonry

PC 2-Certificate in Plumbing

PC 3-Certificate in Building Construction

PC 4-Certificate in Gutter Construction

PC 5-Certificate in Fitting & Machining

PC 6-Certificate in Welding

PC 7-Certificate in Engine Operation & Basic Servicing

PC 6-Certificate in Welding

PC 7-Certificate in Engine Operation & Basic Servicing

PC 8-Certificate in Air-conditioning & Refrigeration Basic Servicing

PC 9-Certificate in Electrical Wiring

PC 10-Certificate in Electrical Machine Winding

STREAM (3)- VOLUNTARY TEACHING STREAM

ED107 Theory of Education, Educational Technology & Teaching Practice (15 Credits)

Advanced Diploma in Humanities Studies (Dip HS) (60 Credit Points)

Outcome

On completion of this course, the candidates will be able to effectively organize and manage the humanities services needed by the community.

Course Structure

It consists of credit transfer from Diploma in Humanities Studies, compulsory work-based unit and compulsory theory studies units.

Compulsory Work-based Unit

HS201-Humanitarian Organizing Work Record (5 points)

Presenting own diary of organizing humanities work or work reference in additional to minimum of 3 months humanitarian work experience.

Compulsory theory studies units.

The following management units need to be studied

Mgt 101 Management (5 points)

Mgt 201 Customer Service Management (Humanitarian Customer Service) (5 points)

Mgt 203 Inventory & Budget Management (Humanitarian Service Organization Budget Control) (5 points)

Mgt 208 Safety Management in Humanitarian Works-(5 Points)

Mgt 211 Leadership in Humanitarian Works (5 Points)

Professional Diploma in Humanities Studies (Dip HS) (120 Credit Points)

Outcome

On completion of this course, the candidates will be able to effectively set up the strategic tasks and judge the nature of humanities services needed by the community.

Course Structure

It consists of credit transfer from Advanced Diploma in Humanities Studies, compulsory self

Outcome

On completion of this course, the candidates will be able to effectively set up the strategic tasks and judge the nature of humanities services needed by the community.

Course Structure

It consists of credit transfer from Advanced Diploma in Humanities Studies, compulsory self study unit compulsory theory studies units and a humanities project

Credit transfer

Completion of Diploma in Humanities Studies (60 Credit Points)

Compulsory self study unit

HS301-Professional Studies of Humanities (20 Credits)

It is an open unit. The student will need to study the literatures in Human Right, Democracy. History, Political Science, Philosophy, . They can read the books, online publications , attend the public talk, take part in online discussions etc and prepare a report on what they read, believe, accept on humanitarian issues.

They can freely present their views , comments and judgement.

The assessment will not be based on same or different views between student and assessor. It will only be based on how the student can do the study, what is accepted and believed and how well the arguments can be presented.

The report needs to include references sources as well and it can be written in any language. (For Myanmar, it can be written in Myanmar or English)

Compulsory theory studies

ED431-Critical Thinking (10 Credits)

Mgt 305 Quantitative Methods for Managers (10 Credits)

Mgt 306 Human Resources Management (10 Credits)

HS302- Humanities Work Project (10 Credits)

Humanities Project is to be written

The candidate needs to investigate the needs of the community and prepare the work plan to do the humanities project work such as building a school, digging the water well, disaster relief work.

They need to answer the questions regarding

- Why this task is important for the community
- Who will get the benefit
- What kinds of tasks need to be provided
- Who will do the job
- What materials , resources will be required
- How to provide the safety
- Time plan to complete the task
- Materials requirement and budgetary issues and how to raise the funding
- How to collaborate with local and other people / organizations
- How to assess the project completion
- How to determine the effectiveness and quality of the project outcome
- What lesson that you learnt from the project and conclusion

The project report needs to answer the above questions, record of project works, data, photos and references will need to be attached.

It should be 5 to tfolio

IQY Disciplines

IQY Technical College မှာသင်ကြားတဲ့ဆရာတိုင်းသည်မိမိဂုဏ်သိက္ခာ၊ဆရာကျင့်ဝတ်နဲ့ ကျောင်းသား ကျောင်းသူတွေနဲ့ ပတ်သက်ပြီးပါတ်ဝန်းကျင်အထင်မသေးခံရအောင်နေဖို့ လိုပြီး Facebook မှာအထူး သတိထားဘို့ လိုပါတယ်။

IQY ဟာပညာအစစ်ကိုဘဲသင်ပါတယ်။

Every teacher who is teaching at IQY Technical College needs to obey the appropriate protocol to maintain their own dignity and takes all possible precautions to avoid the undesirable events that undermine their reputations.

There must be high standard of maintaining the teacher's responsibility and discipline to interact with the students. Usage of Facebook is to be careful by all teachers.
