[Public](#)

People often wonder if it's better to study at a private higher education institution than at a public higher education institution. In fact both offer different advantages and none is better than the other in general. Everything will depend on the priorities and expectations that each student has. But if you are already clear that you want to study your career in a private university, visit the link above and compare the different centers you can find in Yangon (Myanmar)

[Private](#)

Facing your future job, keep in mind that if you study in a public university, you can be better valued by companies. It may not be true, but private colleges are reputed to give too many facilities for all students to pass the school year. If you already have it clear and you want to enroll in a public institution, enter here to visualize all the public universities of Yangon (Myanmar)

[Cheap & economic](#)

Don't stop pursuing excellence. This is the goal of all universities in Yangon (Myanmar) that appear in our list. Certified centers of high level, and not for this are more expensive than others. If you want to know which are these higher education institutions that are above average in terms of quality, enter here

[Top](#)

We offer you a list of the cheapest universities in Yangon (Myanmar). Remember that once you start your studies, you should do your best not to suspend any subject. Usually if suspended, you are paid double the price that has cost the first year. This is why it is as important as finding a cheap university to be a disciplined student and to bring the contents up to date

[Certified](#)

Accreditation, contrary to what many believe, depending on where you are, is voluntary, and not all centers of higher education have this certificate of quality evaluation. If you want to study in a center accredited in Yangon (Myanmar), Universitiesintheworld puts at your disposal all the universities that have this quality certification
