

Academic System of IQY IPEM Education Group

Category (1) Academic System based degrees

They are BA, BSc, BE, BTech, BMgt, BBA, LLB, BEd, BAppScIT and other standard academic degrees that will require the submission of assignments, test etc

English medium of instruction is utilized in teaching of academic system based degrees.

Category (2) Self Learning based degrees

They are BWS (Bachelors of Work) Studies in practical disciplines and Bachelor of Professional Studies for theory disciplines in above degrees area as well as various vocational areas.

If the students learn the study resources and report us about their completion of studies, depending on the their learning, the qualifications up to BWS (Bachelors of Work) Studies such as BWS (Management), BWS (Electrical Engineering), BWS (Law) etc can be issued and after having completed the assignments, exam etc, those degrees can be upgraded to BE, BSc, BMgt, LLB etc

Bachelor of Work Studies together with Diploma of Academic Studies can be issued to enable the graduates to apply for Associate or Associate Member grade membership of some professional associations.

English as well as the languages other than English can be utilized in teaching of Self learning system based degrees

Category (3) Experience based degrees

Bachelor of Engineering Practice, Bachelor of Trade Practice and Bachelor of Professional Practice degrees can be issued based on candidate's submitted work experience and previous studies.

Competency Standards can be utilized in assessment process.

Fees

Whether which way they follow, the same fees structure will be applied.
