

IQY Technical College သည် Singapore Institute of Engineering Technologists အသိအမှတ်ပြု Professional Diploma in Hazardous Safety Engineering သင်ရိုးကို Self Study Online ဖြင့်သင်မည်။

Subject (၁)ခုပြီးက Certificate in Hazardous Safety Engineering (15 Credit Points)

Subject (၂)ခုပြီးက Diploma in Hazardous Safety Engineering (30 Credit Points)

Subject (၄)ခုပြီးက Advanced Diploma in Hazardous Safety Engineering (60 Credit Points)

Subject (၈)ခုပြီးက Professional Diploma in Hazardous Safety Engineering (120 Credit Points)

နှင့်အတူ STC Technological University ၏ Bachelor of Engineering (Hazardous Safety Engineering) ရရှိမည်။

### သင်တန်းကြေး

တဘာသာ 25000 Kyats -- Online သင်တန်းကြေးကိုပထမ Assignment တင်ပြီးမှပေးရန်။

### ဝင်ခွင့်သတ်မှတ်ချက်

Diploma in Engineering/ AGTI/BE

### Course outline and contents

<http://www.highlightcomputer.com/ProfessionalDiplomaHazardousSafetyEngineering.pdf>

### စာရင်းသွင်းရန်

[www.highlightcomputer.com/iqyenrolmentform.doc](http://www.highlightcomputer.com/iqyenrolmentform.doc)

တွင် **Other Course—Write Below** Professional Diploma in Hazardous Safety Engineering ဟုဖြည့်သွင်းပြီး [iqytechnicalcollege@gmail.com](mailto:iqytechnicalcollege@gmail.com) သို့ ပို့ ပါ။

### ဘာသာများ (120 Credits Each 15 credits)

- BAE 631E Maintenance & Repair Works in Hazardous Areas
- BAE 632E Electrical Wiring in Hazardous Areas
- BAE 633E Hazardous Area Safety Audits
- BAE 634E Explosion Protection
- BAE 635E Testing in Hazardous Areas
- BAE 636E Hazardous Area Inspection
- BAE 637E Hazardous Chemical Management
- BAE 638E Environmental Engineering in Hazardous Areas

အထက်ပါဘာသာများအတွက်စီစဉ်ထားသော အင်္ဂလိပ်ဘာသာဖြင့်ပေးထားသော Online စာအုပ်များ မှအလုပ်နှင့်ဆိုင်ရာစာအုပ်ကိုမိမိဘာသာလေ့လာပြီးလေ့လာမှုအစီရင်ခံစာ Assignment တင်ရန်။

IQY Technical College will teach Professional Diploma in Hazardous Safety Engineering course by self study online mode.

On completion of 1 Subject, Certificate in Hazardous Safety Engineering (15 Credit Points)

On completion of 2 Subjects, Diploma in Hazardous Safety Engineering (30 Credit Points)

On completion of 4 Subjects, Advanced Diploma in Hazardous Safety Engineering (60 Credit Points)

On completion of 8 Subject, Professional Diploma in Hazardous Safety Engineering (120 Credit Points) + Bachelor of Engineering (Hazardous Safety Engineering) (STC

Technological University) will be issued electronically.

### Fees

Ks 25000 per subject which is payable after having submitted the first assignment.

### Entry Requirement

Diploma in Engineering/ AGTI/BE

### Course outline and contents

<http://www.highlightcomputer.com/ProfessionalDiplomaHazardousSafetyEngineering.pdf>

### Enrolment

Down load the form from the following link,

[www.highlightcomputer.com/iqyenrolmentform.doc](http://www.highlightcomputer.com/iqyenrolmentform.doc)

on the form **Other Course—Write Below** , write Professional Diploma in Hazardous Safety Engineering and send it to [iqytechnicalcollege@gmail.com](mailto:iqytechnicalcollege@gmail.com)

### Subjects (120 Credits Each 15 credits)

- BAE 631E Maintenance & Repair Works in Hazardous Areas
- BAE 632E Electrical Wiring in Hazardous Areas
- BAE 633E Hazardous Area Safety Audits
- BAE 634E Explosion Protection
- BAE 635E Testing in Hazardous Areas
- BAE 636E Hazardous Area Inspection
- BAE 637E Hazardous Chemical Management
- BAE 638E Environmental Engineering in Hazardous Areas

For the above subjects, the learners need to select and read the Online e -books prescribed for each subject which are appropriate to their workplaces and write the study report Assignment.
