Soo boring.

Soldiers are patrolling at night time.

A few months ago, people went out to/ take on the street and protested.

Put the wok/pan on stove and add some oil into the pan/wok.

Heat the pan and then when it becomes a bit hot, add some oil into it.

when I am feeling down, I prefer to cook.

Not very well but so so..

Your hobbies are collecting stickers and playing piano.

No land

We're from same block/suburb.

We're the same suburb.

I heard that when they were introducing themselves.

I love dancing and listening to music.

I love dancing and listening to music. I can't sing much, though.

I love dancing and listening to music but can't sing much.

I love dancing and music.

Because/ as these make me refresh/feel good.

In this current situation, any song can make me feel better.

That's fun.

Nice talking with you. Talk to you, later.

You, too.

Bye for now.

Bye bye.

Can we wrap up here?

Yes, I do
