## IMPORTANT

- Without fulfilling above steps, no St Clements University degree or St Clements University Myanmar College degree can be issued. **(Please pay in full or do not pay at all. Please do not make partial payment because we can not refund the money).**
- It will take six months to bring the degrees to Myanmar. Usually, we do it on our annual and half year trips to Myanmar.
- St Clements University degree and St Clements University Myanmar College degree are the same value and the same academic standing. But St Clements University degree can only be personally handed out by the St Clements University President during the graduation ceremony in Yangon or Singapore. You must personally attend the graduation ceremony to receive St Clements University degree. (Appropriate graduation attendance fees is to be paid)
- The student who has paid the fees for St Clements University degree but does not attend the graduation will be issued with St Clements University Myanmar College degree.
- But the student who attends the graduation, who has paid the fees for St Clements University degree but the degree certificate was not ready can be issued with both St Clements University Myanmar College degree during the graduation time and St Clements University degree when it is ready.
- Switzerland Registered SCPU School of Engineering and SCPU Business School degrees can be issued instead of St Clements University degrees.
