Unit 4 ا

Alif Maddiyah
(Prolonged)

ألف مدّية

Al-qiraa'ah الْقِرَاءَةُ

Phonetics

Pronunciation: Like 'a' (dad) in English.

Exit: The interior or the chest area.

Alif Maddiyah

- 1- If the letter Alif (ا) comes after a letter with Fat-hah, and has no mark above or below it, then this Alif will be pronounced like double Fat-hah as "a" in "dad"
- 2- We call it "Maddiyah" or prolonged, because its time is the double time of Fat-hah. (ba بَ - baa با)
- 3- An Arabic word cannot start with Alif Maddiyah because Madd is like Sukoon.

ا + بَ is baa = بَا

ا + تَ is taa = تَا

ا + ثَ is thaa = ثَا

ا + نَ is naa = نَا

ا + يَ is yaa = يَا

ا + وَ is waa = وَا

* (Alif Maddiyah has no mark)
