Universities in Myanmar recommended:

[Technological University \(West Yangon\)](#)

yangon, myanmar (burma) myanmar (burma) Yangon ,Yangon ,Yangon ,Myanmar .
 phone available.
 Website available.

The Universities in Myanmar are the preferred choice of many students who move from their hometown to live in Myanmar, a place that has 53414374 inhabitants. Explore our map below to get to know the area where your favorite university is located. The blue dot listed shows the number of universities in an area and if you zoom in with the mouse pointer, the points will be broken down into red dots that indicate the location of each university among the **Universities in Myanmar** in the area.

Many factors can influence the choice of a university by the students. For many people, it is important to live close to their home and family or to study in the same center where their friends will enroll ... For others, the offer of degrees, the prestige of the university, the preference of a public university or Private, campus infrastructure ... Whether you are from Myanmar or coming from outside, [Universities in Myanmar](#) represent the choice of many students. Enter the website of each one and find out about all its features to see if they fit your preferences.

If you found your university among others Universities in Myanmar registered in Universitiesintheworld, leave a comment. At this precise moment, there are still undecided people unsure on where to study and your opinion can be of great value. There are many things about the different institutions of higher education that only those who study in them can know, so we strongly urge you to contribute with your sincere opinion.

Local students or those who will come to live in Myanmar to carry out their university studies seek to continuously collect information of all types on the different higher education institutions. If you want to provide the data of your center (if it still doesn't appear on this website) click on the 'Publish information' tab. The more data you add in this record, the more visibility your university will have in Universitiesintheworld.

Jira Software

Jira however you want

New, simply powerful features are here.

[Try it free](#)

The advertisement features a blue background with the Jira Software logo at the top left. Below the logo is the headline 'Jira however you want' in a large, bold, dark font. Underneath the headline is the sub-headline 'New, simply powerful features are here.' in a smaller, dark font. A prominent orange button with the text 'Try it free' is centered below the sub-headline. At the bottom of the ad, there is a white rectangular box containing a grid of colorful icons representing various software features, such as a calendar, a document, a bar chart, and a pie chart, each accompanied by a small green checkmark.

Universities in Myanmar by category

[Public](#)

Private universities in Myanmar. Consult all institutions of private education and contact each one for more information on scholarships and study aids. We offer the contact information and links to the websites of all the private universities of Myanmar. Look at them and compare them carefully, choose the option that fits you best

[Private](#)

Studying in public universities is the choice of the majority of students who are going to enter university life, not only for their reputation but also for the economic cost that could mean studying in a private university. In addition, scholarships or study grants are easier to obtain for students of public institutions. If you are looking for public universities in Myanmar, check out our list

[Cheap & economic](#)

We have gathered the best universities of Myanmar on one page, so you choose the one you like the most, while it's always a wise decision. Centers that are distinguished by the quality of their facilities, of the faculty or teaching staff, who stand out in the fields of research and which don't stop moving towards excellence

[Top](#)

We offer you a list of the cheapest and affordable universities in Myanmar. Many people don't know, but the price between one university and another that has the same level of quality can vary greatly depending on which course is studied and where, so it's better to take time to look at it calmly, compare and choose according to our pocket allowance

[Free](#)

Study a degree without having to pay any tuition. This is already possible in many places in the world and thanks to Universitiesintheworld, you can also find free universities in Myanmar. Your dream of studying a career should not be hampered by your current financial situation, because access to education is a right for all people

[Certified](#)

Students should always seek to know about the quality level of the higher education institution in which they wish to start their undergraduate studies. Only quality universities have a certificate of accreditation issued by the Ministry of Education Myanmar. If you want to know what these institutions are, go here
